Attenzione le variazioni di tonalità sui campioni del vetro sono inevitabili, dovute alla rifrazione del colore attraverso lo spessore del vetro.
Please note that nuance colour variation on the glass colour samples are the rule, due to the light reflecting inside the thick glass.

I tavoli che in estensione superano i 250 cm presentano una leggera flessione del piano che rientra negli standard di qualità accettati.
Please note that Tables with full extension longer than 250cm present a light flexion in the middle of the top, which is within the accepted quality standard.
