

Shield Oval

CP950STSHO
Misure/Sizes 37,5x57,5x86 h cm
Codice prezzo/Price code 90

Materiale: Teak di recupero naturale
Uso e manutenzione: pulire la superficie in teak con un panno di cotone o microfibra e detergenti delicati / non usare prodotti aggressivi, ne materiali abrasivi. Cerare il teak periodicamente con Cera Naturale.
La superficie del freestanding viene consegnata con un trattamento protettivo, questo non lo preserva dal contatto con solventi, cosmetici coloranti, residui di detergenti lasciati sul legno per lungo tempo.
Info tecniche sul lavabo in Acciaio Inox vedi pag. 62

Material: Natural Reclaimed Teak
Use and maintenance: clean the teak surface with a cotton or microfiber cloth and with delicate detergents, do not use aggressive products, neither abrasive material. Apply the wax on teak regularly using Natural Wax supplied with the unit. The surface is provided with a kit including a protective treatment, but it does not protect it from solvents, cosmetics, residuals of detergents remained uncleaned.
Info about the Stainless steel Basin pag.62on the top.
